

# Talena Bacon

## BUSINESS STRATEGY COACH

### About Talena

Talena Bacon is a Business Strategy Coach who specializes in organic marketing and AI-supported content. She helps women coaches and creatives attract clients organically — without burnout or feeling salesy.

With 30+ years of business experience, Talena teaches simple, confidence-building marketing strategies that increase visibility and consistency using practical AI support. She's the host of the AI Client Attraction Podcast and is known for her warm, down-to-earth approach to marketing.

### Topics

**Topic 1: Organic Marketing That Actually Converts**

**Topic 2: Content That Connects (with a Boost from AI)**

**Topic 3: From Invisible to In-Demand**

**Topic 4: Building an Engaged Community (Not Just a Group)**

### Testimonials

Talena was such a pleasure to work with! I have gained 22 new potential customers and 7 new sales in just a week of following your advice and instruction. I highly recommend her to anyone wanting to grow their business. When working with her she wants you to succeed, grow and prosper. Talena is very down to earth, real and is a must for anyone! ~Misi . L. of Cantu Creations~
