At Arbonne, we ❤️ our PCs and work hard to support you, make sure you are enjoying ALL the benefits of your membership and getting the best deal, always.

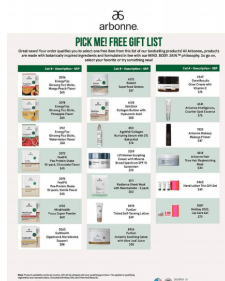

Here's what you can expect 

Ok!

1) As an Arbonne PC you get 20% off ALL your orders, no matter the amount, no matter how frequently or infrequently you purchase- yay!

2) When any order you place is at least \$150 qv (the shopping cart keeps track!) you qualify for FREE SHIPPING! also, yay!

3) Once you've placed a single \$150 order (on which, you save that 20% I mentioned above) you get a free product opportunity linked to your account. The free product can be selected anytime you place a \$150qv order..even if it's 10 minutes later..and it can be chosen off a list of some pretty fantastic products that range in price from \$30-\$90...

The products on the list shift a bit month to month, and anytime you want you can reach out to me and ask for the list of the month if you haven't seen it yet!

Above is an example

4) About that 20% discount. Just remember that there are some product sets that give you a steeper discount. For example, our 30Days to Healthy Living set pictured above actually comes to you with a discount of 30%.
