6 | Chapter-by-Chapter Roadmap

Tip: Anchor every session with this rhythm: *Warm-up · Read & Reflect · Activity · Share-out · Commit.*

Act I — Behind the Curtain: Identifying What’s Been Written for You

- **Focus:** Unmasking inherited roles, cultural scripts, and silent agreements.
- **Discussion Qs:**
 1. Whose handwriting shows up most on the pages of your life?
 2. Which scene do you replay because you assumed it was non-negotiable?
- **Activity:** *Spotlight & Shadows*—Each guest traces a silhouette on paper, labeling external expectations outside the outline and authentic desires inside. Share key aha moments.
- **Take-Home:** Journal prompt: “My true author’s note begins with...”.

Act II — Setting the Stage for a New Production: Revealing Your True Light

- **Focus:** Clarifying values, aligning environments, designing supportive ambiance.
- **Discussion Qs:**
 1. What emotional ‘lighting’ best flatters your essence?
 2. Which set-pieces (habits, spaces, relationships) dim your glow?
- **Activity:** *Lighting Plot*—Small groups create a values-based lighting plan on poster board, assigning colors to top 5 core values and placing them on a stage diagram.
- **Commit:** Choose one physical or digital space to relight this week (e.g., declutter desk, curate social feed).

Act III — Choreographing Your Life: Seizing Creative Control

- **Focus:** Translating vision into intentional movement—routines, schedules, boundaries.
- **Activity:** *8-Count Life Dance*—Attendees map the next 24 hrs in eight intentional beats, pairing a physical gesture with each purposeful action. Perform mini-dances in pods.
- **Discussion:** How does embodying a plan differ from merely writing it? What step needs new timing?
- **Take-Home:** Fill a weekly “Dance Card” template aligning commitments with energy peaks.

Act IV — Taking Center Stage: Embracing Your Role as the Leading Lady

- **Focus:** Embodied confidence, vocal authority, visible presence.
- **Activity:** *Center-Mark Walk*—Tape an “X” on floor; each participant steps to mark, delivers a power line from her future autobiography while the group gives a directed light cue.
- **Discussion Qs:**
 1. What ritual helps you ground before spotlight moments?
 2. Which boundary cue will signal crew—and critics—that the scene has changed?
- **Celebrate:** Hand out gold star “billing credits” for courageous shares.

Epilogue — The Standing Ovation: Your Ongoing Production

- **Activity:** Write a press release dated one year from today announcing the success of your new production. Pair-share headlines.
- **Group Ritual:** Circle clap crescendo rising to standing ovation as each woman calls out one win she will celebrate.

Backstage Bonus — Bad Reviews: When They Don’t Accept the New You

- **Focus:** Navigating criticism, setting relational press passes, cultivating a supportive cast.
- **Activity:** *Critic to Coach Rewrite*—List recent or anticipated critiques; in pairs, transform each into constructive coaching language you’ll internalize instead.
- **Toolkit:** Create a “Publicist Plan” cheat-sheet—key phrases to deflect negativity and reinforce new identity.
- **Closing CTA:** Invite guests to join Maria Denise’s private community for ongoing rehearsal rooms and director-level coaching.

7 | Final Bow & Follow-Through | Final Bow & Follow-Through
